PROFESSIONAL SUMMARY

Computer Science and Engineering student with an 8.99 CGPA, training in Full Stack Development, and internship exposure to web development and Artificial Intelligence. Familiar with Java, Spring Boot, React, Python, Flask, MySQL, REST APIs, and Git/GitHub. Interested in building practical, secure, and user-focused software applications.

TECHNICAL SKILLS

Languages	Java, Python, JavaScript, HTML, CSS
Frameworks	Spring Boot, React, Flask
Database & APIs	MySQL, REST APIs
Tools & Areas	Git, GitHub, Artificial Intelligence

PROJECTS

Sentinel Vault | Java, Spring Boot, React, MySQL

- Developed a secure file-vault project with authentication and user-specific file management features.
- Implemented file upload, download, and preview workflows through a React frontend and Spring Boot backend.

Student Management System | HTML, CSS, JavaScript, Flask, MySQL

- Built a web-based project focused on managing student information using a Flask backend and MySQL database.

INTERNSHIP EXPERIENCE

Full Stack Development Intern — Dot Com Infoway, Madurai

- Participated in full-stack development internship activities and worked on a Student Management System.

Artificial Intelligence Intern — Mindenious, Bangalore

- Participated in an internship focused on Artificial Intelligence.

EDUCATION

B.E. Computer Science and Engineering | Coimbatore Institute of Engineering and Technology

Expected graduation: 2028 • CGPA: 8.99

COURSE & TRAINING

Full Stack Development Course — CSC
